

COOKIES POLICY

If you allow us, access and navigation through the website accessible through the URL <http://lr333.es> (hereinafter, **LR**), owned by **Luis Rubí, S.L.** (hereinafter, **Luis Rubí**) implies the use and download of our cookies on the terminal equipment (computer, tablet, smartphone) through which you access **LR**, with the purpose of allowing and optimizing your navigation through it, as well as analyzing some of your behaviors during navigation, in an anonymous form.

We encourage you to read this document carefully in order to inform you in detail about the use of this technology in **LR**.

What are cookies?

Cookies are small text files that are downloaded to the computer or device with which you browse the Internet when entering certain pages and/or make use of certain services offered in them, and that allows storing information that can be retrieved later to various purposes. Also, and depending on the way you use your equipment, they can be used to recognize the user.

Consent.

By accessing **LR** you will be offered certain information about the use of this technology through your device or terminal equipment and we will ask you to grant us your consent to do so. Keep in mind that some cookies may be necessary for **LR** to work and, if you deny this consent, access to it may be impeded.

At any time you can withdraw your consent to the use of this technology through the functions of your browser, deactivating cookies or blocking the possibility of being downloaded to your device. See the section "Management and deactivation of cookies" of present Cookies Policy to obtain more information about it.

Cookies used in LR.

For its purpose, **Luis Rubí, S.L.** uses, through **LR**, the following types of cookies:

1. **Personalization cookies:** those that allow the user to access the service with some predefined general characteristics based on a series of criteria in the user's terminal, such as the language, the type of browser through which the user accesses. to the service, the regional configuration from where you access the service, etc.
2. **Technical cookies:** Are those that allow the user to navigate through a website, platform or application and the use of different options or services that exist in it, such as controlling traffic and data communication, identify the session, access restricted access parts, remember the elements that make up an order, perform the purchase process of an order, make the request for registration or participation in an event, use security elements during navigation, store contents for the diffusion of videos or sound or share content through social networks.
3. **Cookies of analysis:** Are those that well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the use made by users of the service offered. To do this, we analyze your browsing on our website in order to improve the offer of products or services we offer you.
4. **Advertising Cookies:** Those that are well treated by us or by third parties, allow us to manage in the most efficient way possible the offer of the advertising spaces that are

on the website, adapting the content of the advertisement to the content of the requested service or to the use you make of our website. For this we can analyze your browsing habits on the internet and we can show you advertising related to your browsing profile.

5. **Cookies of behavioral advertising:** Are those that allow the management, in the most efficient way possible, of the advertising spaces that, if applicable, the editor has included in a web page, application or platform from which the requested service is provided. These cookies store information on the behavior of users obtained through the continuous observation of their browsing habits, which allows the development of a specific profile to display advertising based on it.

Who uses our cookies?

The information on our website is treated by both the publisher and third parties with whom the publisher has contracted the provision of a service for which the use of cookies is required. The website of **Luis Rubí S.L.**, may use third-party services that on behalf of **LR**, collect information for statistical purposes, use of the site by the user and for the provision of other Internet services.

The user expressly accepts, for the use of this site, the treatment of the information collected in the manner and with the aforementioned purposes. Likewise, it acknowledges knowing the possibility of rejecting the treatment of such data or information by rejecting the use of cookies, by selecting the appropriate configuration for this purpose from your browser. Although this option to block cookies in your browser may not allow full use of all the features in our Website. Management and deactivation of cookies.

At any time, you can withdraw your consent to the use of cookies by deactivating or blocking your download through specific functions of the browser that you use.
